James of the Porch Family;
STATE OF NEW JERSEY
(Duns # 067373258);
wrongdoer

Order: John Michael Vazquez

(verified)

Order: John Michael Vazquez disqualified
The 'rogers court' hereby orders 'John Michael Vazquez', man
acting as magistrate, disqualified from all proceedings
involving i: man Rogers, Thomas-Frederick for showing
an appearance of partiality, an appearance of protecting
the 'wrongdoers', and usurpation of authority not granted
to him;

Firstly, rye have shown an appearance of partiality from the
beginning by forcing i: man to "represent the
incorporated U.S. person" against my will, over my
objections, and to the detriment of my unalienable
rights as one of the American People;

Secondly, rye have shown an appearance of partiality from
the beginning by converting my claim as a man
to a "complaint as a U.S. person" against my will, over
my objections, and to the detriment of my unalienable
rights as one of the American People;

Thirdly, rye have shown an appearance of partiality from
the beginning by refusing to recognize the common
law guaranteed by the 7th Article of the Bill of Rights

The Federal Rules of Civil Procedure are intended for attorneys who are representing incompetent people and "persons". They are meant as a set of rules for the attorneys to follow due to the fact that such clients are unable to speak for themselves;

Fourthly, ye have shown an appearance of protecting the 'wrongdoers' by usurping the authority of the tribunal. Ye held extra judicial proceedings not of the common law. Ye have allowed an attorney to present hearsay statements. Ye have issued orders without authority to do so. Ye actions have been over my objections and to the 'wrongdoers' benefit at my detriment. I as one of the American People am not ye subject to order about as ye please;

Fifthly, as one of the owners of the de jure American government I have chosen for my court to meet at one of my public buildings which the "UNITED STATES DISTRICT COURT" appears to be currently occupying. While the American People should not have to pay for justice I have compensated the "UNITED STATES DISTRICT COURT" in the amount of \$400 of lawful money [12 U.S.C. 411] to handle the logistics of my court of record. Your actions are depriving me of the services that I have already paid for;

Sixthly, it is a well established fact of law that the moment ye impartiality is compromised ye are disqualified as a judge. Ye are required to disqualify ye self without my filing paperwork, motions, or any other nonsense;

Seventhly, it is a well established fact of law that once a judge is disqualified any action taken by said judge is without authority. Such acts are undertaken in their private capacity and cause real harm. Such acts are void with no force or effect of law;

Eighthly, this handwritten order bearing my natural seal (right thumb print) is prima facie evidence that i am spirit in the embodiment of a man;

It is actions such as these that have undermined the faith of the American People in the "just-us" system that has been forced upon us through indoctrination, fraud, deceit, and violence. i know who i am as a spirit of the Source Creator in the embodiment of a man living and standing on American soil, a common law land where no man is subject to another without his or her consent. If i have not been clear let me do so now.

I DO NOT CONSENT

No matter what ye and the men and women of the "UNITED STATES" and the "STATE OF NEW JERSEY" impose upon me against my will and over my objections having caused no harm, violated no contract, nor breached the peace my spirit will shine through such forced servitude. When this physical life experience as a man is over i will stand tall and proud before our Creator. The question is how will ye stand before our Creator? Are ye prepared to stand before our Creator having broken your sacred oath to Him and the American People? Why? To protect other men who

who have disregarded their oaths as mere trivialities?
We both know such contracts have implications beyond
the here and now.

Ye may disqualify ye self and void ye own orders so
another magistrate who is going to proceed according to the
common law can take over in ye place or ye may void ye
own orders and proceed according to the common law of
ye own accord within seven(7) days of this filing.

i, say here, and will verify in open court under
penalty of perjury under the laws of the united
States of America that all herein be true and
correct
